The above petition has been approved.

The petition indicates that you, the self-petitioner, are in the United States and will apply for adjustment of status. You should contact the local USCIS office to obtain Form I-485, Application to Register Permanent Resident or Adjust Status. A copy of this notice should be submitted with the application.

If you decide to apply for a visa outside the United States based on this petition, you should file Form I-824, Application for Action on an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that need consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

Please read the back of this form carefully for more information.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

INITIAL GRANT OF DEFERRED ACTION:

Deferred action will remain in effect for a period of 15 months from the date of this notice, unless terminated earlier by USCIS for reasonable cause and upon appropriate notice.

Pursuant to 8 CFR Sec274a.12(c) (14), an alien who is under deferred action is eligible to submit an application for employment authorization, if the alien establishes an economic necessity for employment. The alien must provide information regarding his or her assets, income and expenses in accordance with the instructions on the Form I-765.

In order to extend your Deferred Action status, you must do one (1) of the following:

If you are represented by an attorney, all further correspondence should be accompanied by Form G-28.
